

JacobMichaelPrice (Website)

The purpose of JacobMichaelPrice is to display the personal portfolio of Jacob Michael Price.

The website will have everything ranging from the skills, hobbies, interests, and experience of myself, Jacob Michael Price. The main purpose of the website is to display a personal portfolio regarding myself. The main audience for this website would be future employers, however, friends and family would be more than encouraged to view the website as well. A clear concise background of myself will easily allow people to understand who I am and what I like to do, very quickly and efficiently.
